

1 – Library / Home · responsive layout

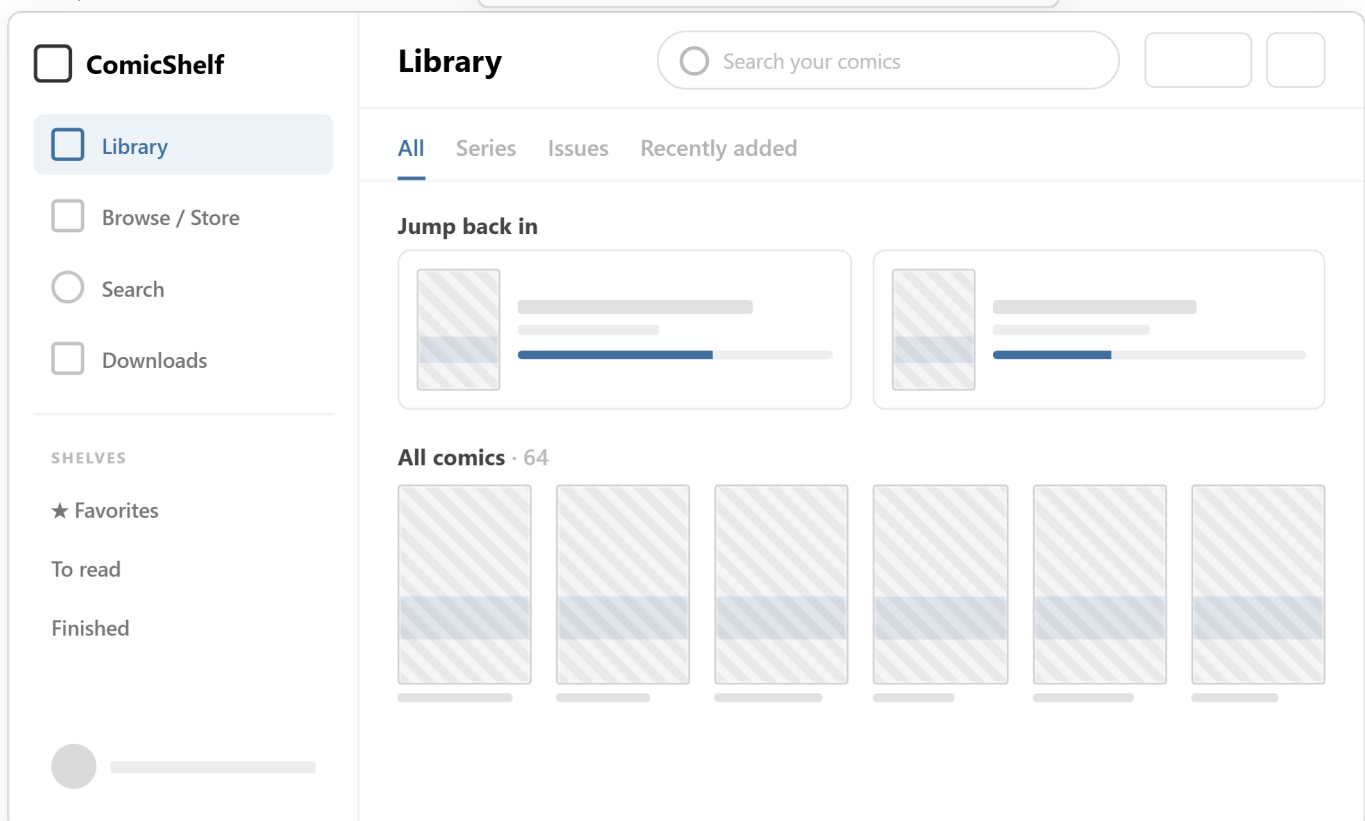

Phone

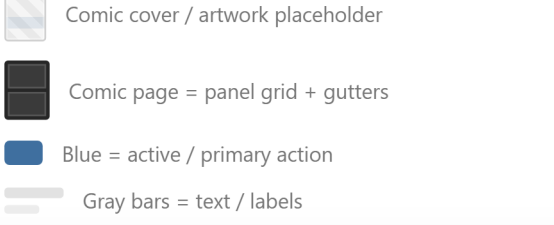

Tablet

Desktop / web

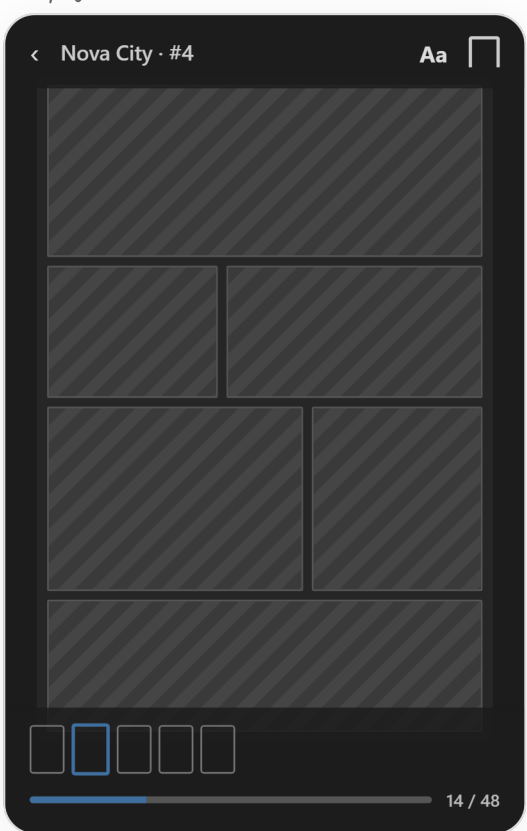

Responsive: bottom-nav (phone) → icon rail (tablet) → labeled sidebar (desktop). Cover grid reflows 2 → 4 → 6 columns.

2 – The Reader · four reading modes

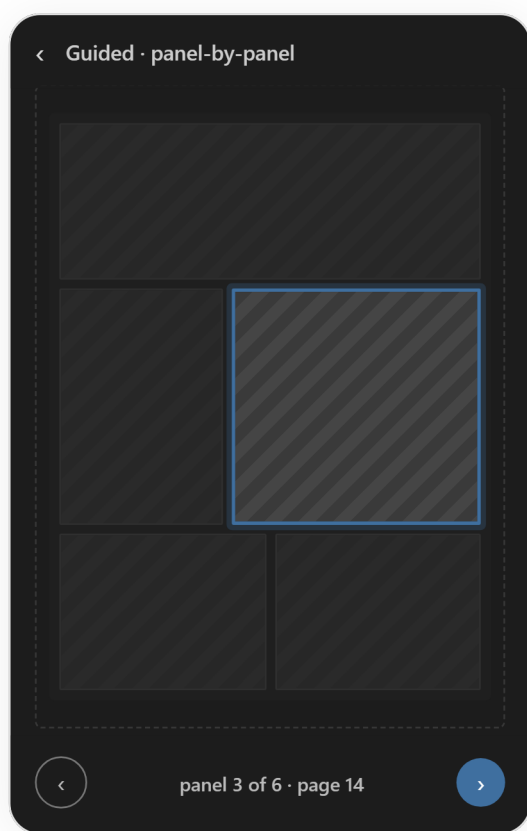

Full-page view

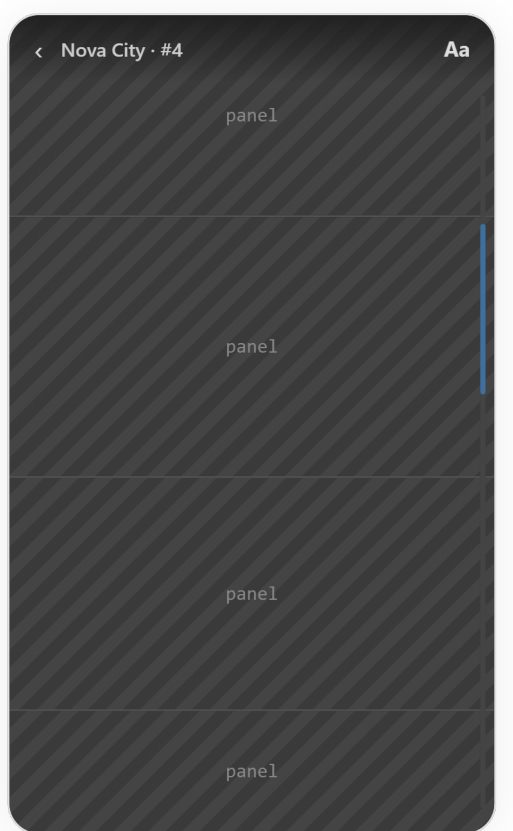

Two-page spread · tablet / desktop landscape

Guided view

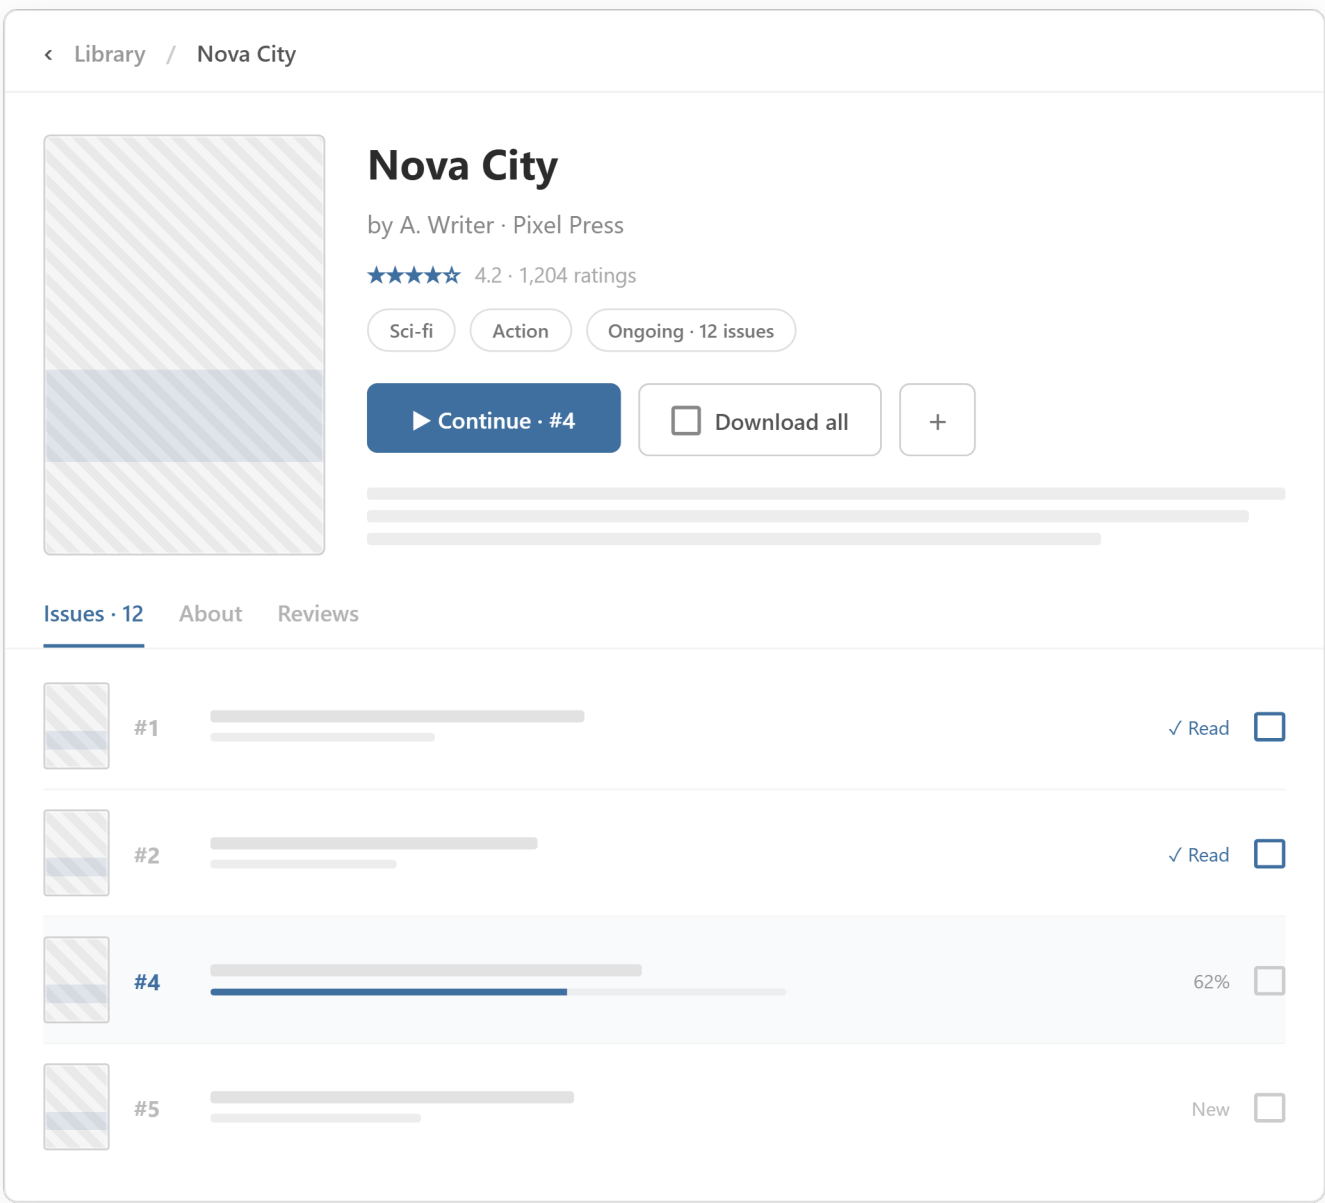

Vertical scroll · webtoon

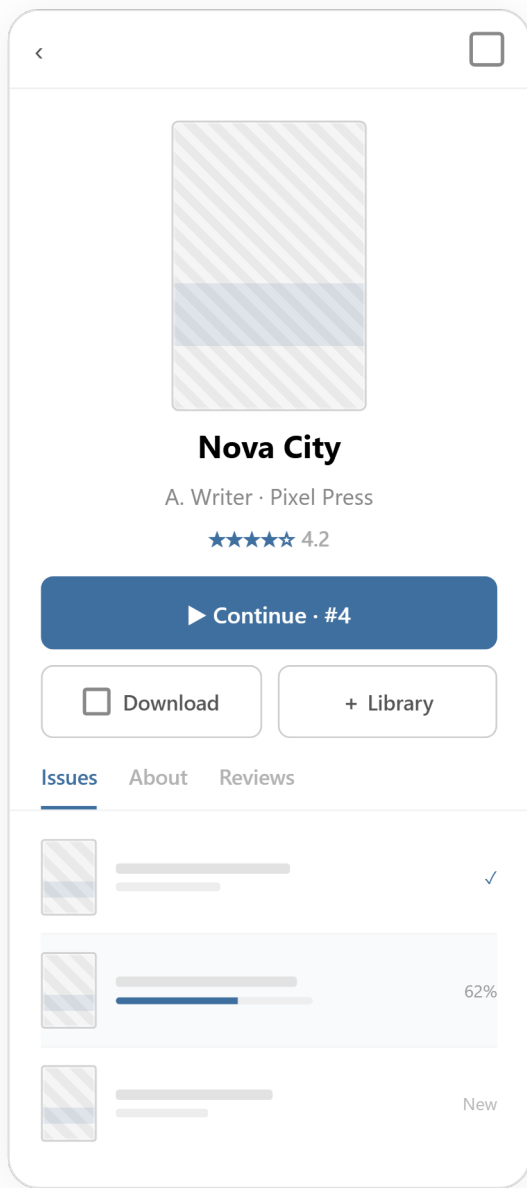

Tap center = toggle chrome · tap edges / swipe = page turn. Mode is chosen per-comic in Reading settings (Section 5).

3 – Series / Comic detail

Desktop

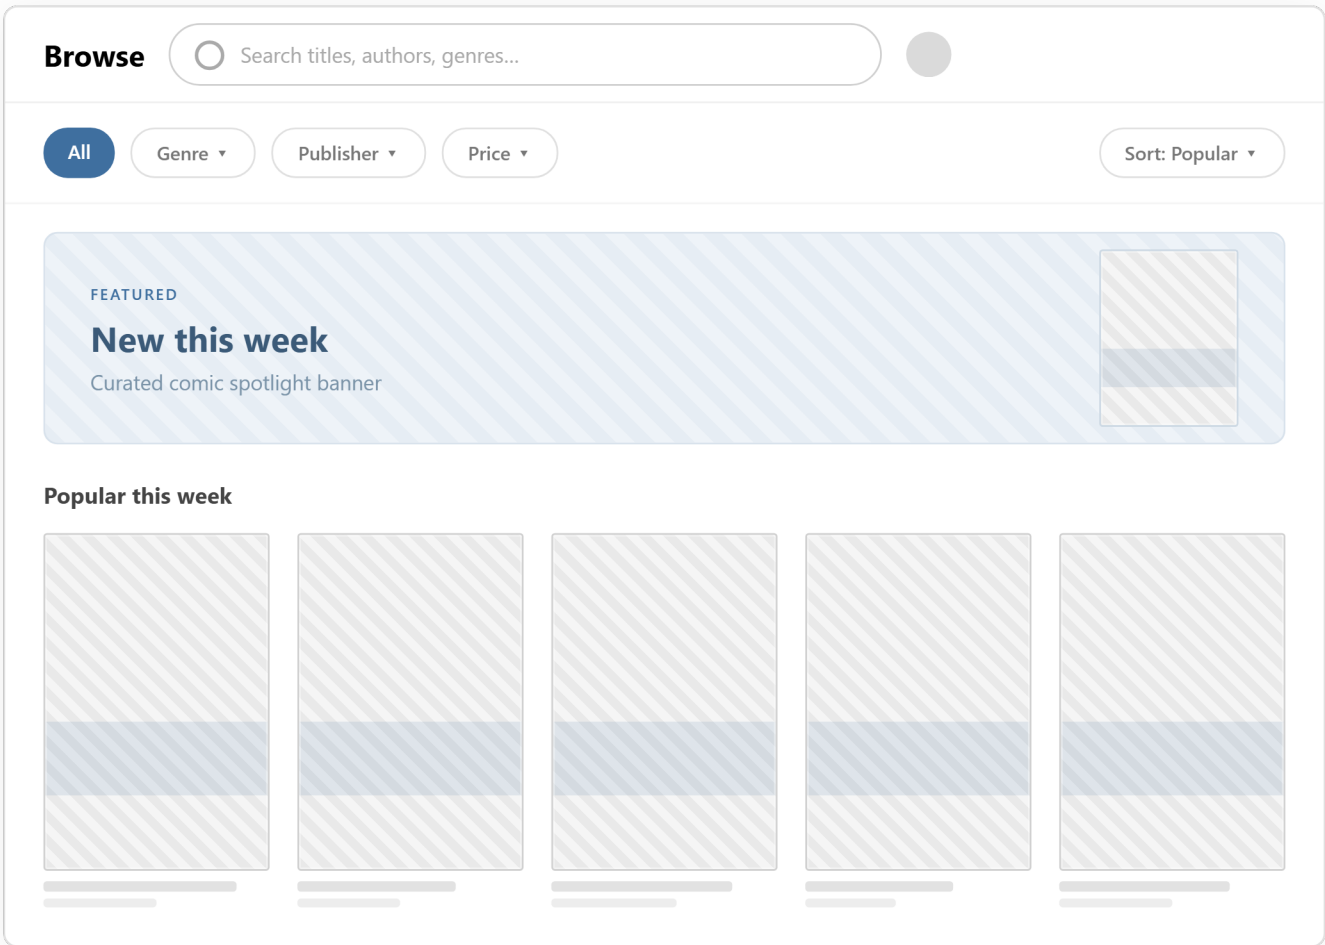

Phone

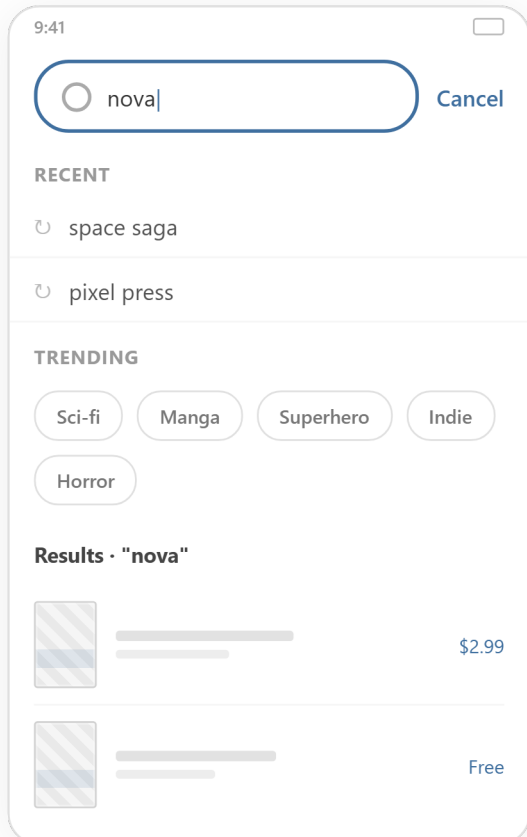

Flow: Library / Store → tap cover → Detail → tap an issue → Reader. 'Continue' jumps straight into the reader at last page.

4 – Search & Browse / Store

Desktop store / browse

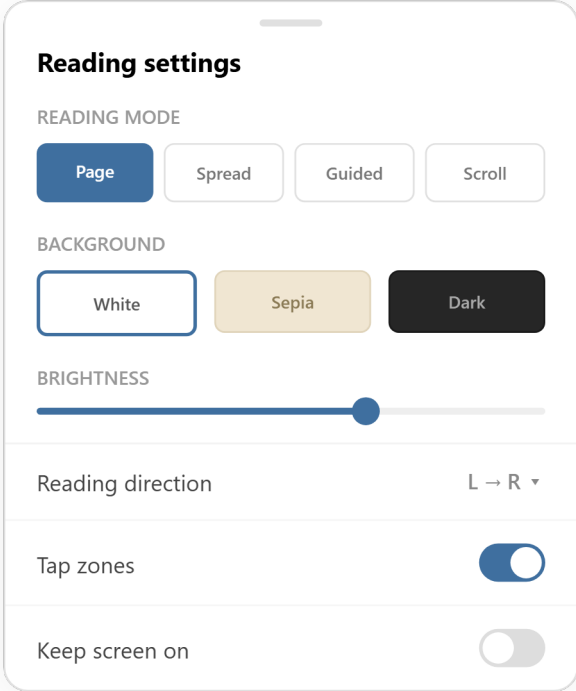

Phone search

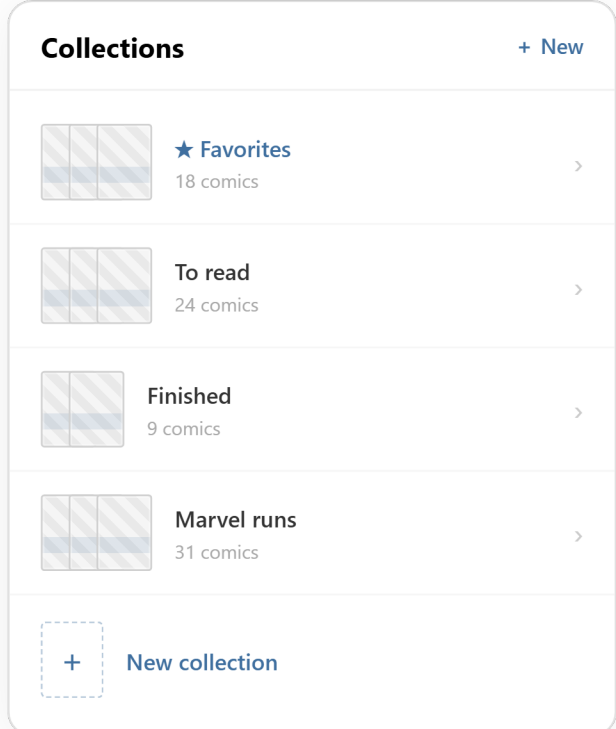

5 – Settings · Collections · Downloads · Account

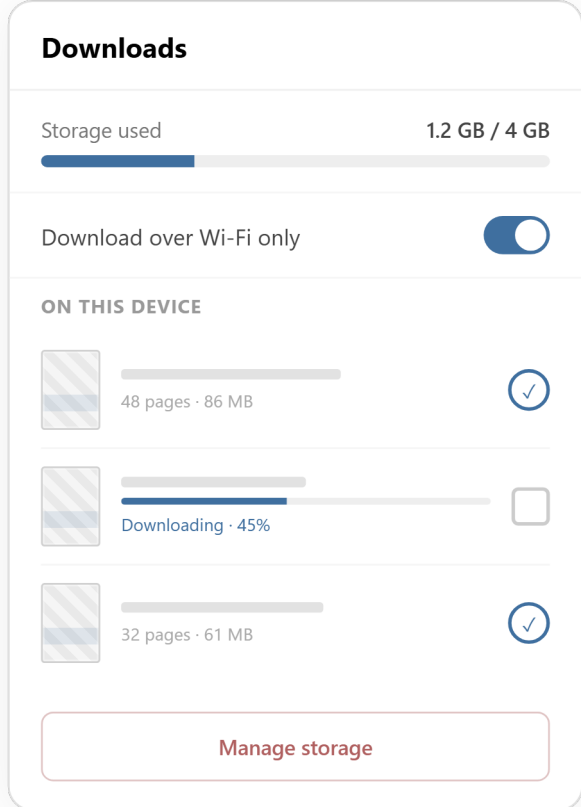

Reading settings
